Hello,

Thank you for your inquiry regarding accommodations at McGill University Residences.

McGill University Residences offer summer accommodations from May 15 to August 15.

Our Residences are conveniently located in downtown Montreal.

We have two locations:

1) The Bishop Mountain Hall, at 3935 University St. (North of Pins avenue).

2) New Residence Hall, at 3625 Parc avenue. (On the corner of Prince-Arthur).  
The Bishop Mountain Hall offer accommodations in a Traditional Residence. Most of our rooms are singles (one person per room). They share bathroom and kitchen facilities with the other rooms on the floor. (Pots/pans, plates, cutlery etc. are not provided). Included in the rooms are, linen, soap and towels. The rooms themselves are not air-conditioned, however, our front office rents out fans, kettles and irons. We do have a small number of double rooms available (these too share bathrooms with the other rooms on the floor). We also have a few apartment-style units called "Don's rooms" (with a double bed, sofa bed and a private bathroom). These are available for a minimum stay of three nights and are not available after August 1st. There are no telephones provided in the rooms however there are payphones located in the lobby of each residence. There are computers with free access to internet in the lobby of the residences main office. Please note that single rooms can only accommodate one person as per the fire code; double rooms can accommodate two people. (Also note that we have fewer doubles to rent).

The New Residence Hall (former Renaissance Hotel) offer accommodations in single and double rooms as well as suites. Each of our guestroom is equipped with private washroom, air-conditioning, cable television, standard amenities, free-local calls and free high-speed internet access.
